SECTION II - DESCRIPTION OF CONSULTING SERVICES AND PRICING

PSS Services Descriptions

The following, not all inclusive, list of PSS Professional Services is representative of the types of services available through this Schedule contract.

Consulting Services

Services may include providing expert advice, assistance, guidance or counseling in support of agencies' mission oriented business functions. This may include studies, analyses and reports documenting any proposed developmental, consultative or implementation efforts. Examples of consultation include but are not limited to: strategic, business and action planning; high performance work; process and productivity improvement; systems alignment; leadership systems; organizational assessments; cycle time; performance measures and indicators; program audits, evaluations, and customized training.

Competitive Sourcing Support

Services provide support in conducting OMB Circular A-76 Commercial Activities studies, strategic sourcing studies, privatization studies, public-private partnerships, Federal Activities Inventory Reform Act, and other competitive sourcing projects or efforts. Services include but are not limited to study planning and assessments, development of Performance Work Statements (PWS), development of Quality Assurance Surveillance Plans (QASP), performance of management studies to determine the Government's Most Efficient Organization (MEO), development of in-house Government cost estimates, comparisons of in-house bids to proposed contractor prices, and Administrative Appeal Process support, MEO or contract implementation support as a result of a privatization study, and MEO performance reviews.

Program Integration and Project Management

Services include management or integration of programs and projects to include, but not limited to: program management, program oversight, project management and program integration of a limited duration. A variety of functions may be utilized to support program integration or project management tasks.

SCA Matrix and Applicability Statement

Prices for the SCA labor categories meet or exceed those in Wage Determination No. 2015-4281, Revision 11, dated 03 July 2018.

The Administrative Assistant and Project Assistant are covered by the Service Contract Act. All other labor categories are exempt from the Service Contract Act based on meeting the criteria of executive, administrative, or professional employees as set forth in 29 CFR Part 541.

SCA Eligible Contract Labor Category	SCA Equivalent Code - Title	WD Number
Project Assistant	01020 – Administrative Assistant	15-4281 (Rev.- 11)
Administrative Assistant	01312 – Secretary II	15-4281 (Rev.- 11)

OMNITEC affirms that the method of escalation for the SCA labor categories is based on Clause 552.216-70. The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the indicated (**) SCA labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix. The prices awarded are in line with the geographic scope of the contract (i.e. nationwide).
